Subject: Request for info about MEW Site

Dan,
Attached to this email is an PIC that we received from Leah Knowlton in which asks to be added to our mailing list for the MEW Site. I called her to obtain her address to add her name to our mailing list. During the call, she told me she was specifically interested in the Five Year Review for this site. I told her that we do not put out a news release related to Five Year Reviews but instead place an ad in the local newspaper at the beginning and at the end of the review. I also told her that you were conducting the review now. Would you provide her with information on the Five Year Review when it is completed? Her phone number and email address are provided below. Her address is 999 Peachtree St., Suite 1000, Atlanta, GA 30309.

I assume that she is an attorney who is interested in the site.
